VIXEN LAMOORE: WOW!

Dear *SCORE*,

I have to have to compliment a model. She is February 2003 covergirl Vixen LaMoore! Wow, she is a special woman! Her hairstyle, her face and, blimey, I admire her sexy legs and her feet. I could make love to her feet for hours! And these words come from a guy who only loves all-natural, big-breasted, voluptuous women. But, hey, sometimes you have to take a rest and sit down for a while and have a good look at what comes along! Vixen is a very pretty, sexy lady and awfully attractive, too! –E.J., email address withheld

DILDOS, SHAVERS AND KATE

Dear *SCORE*,

I've been buying *SCORE* since the early days and have never written to you before, but after the February 2003 issue, I had to tell you how good the magazine has become. Here are a few of my thoughts:

I know some people like the dildo shots, but they do nothing for me. I also prefer to see unshaven women. I think women should look like women, not like little girls.

You have to show more of Kate from the February *SCORE* Xtra. She is the most beautiful woman I've ever seen –P.A., London, England

Dear P.A.: Hard to believe she's the same innocent-looking girl who appeared by herself in the September '02 issue. Kate will make another solo appearance in the near future, although we can't say whether we'll see her taking the high, hard one again. As for the dildo and shaved issues, those are controversies that rage on. Readers, we're always interested in hearing what you think about these and other matters.

Vixen LaMoore's debut in the Feb. issue ranks as one of the highlights so far of 2003. Vixen reminded us of a country girl when she visited, so we got her all dolled up for this future pictorial.

HE WANTS LDM INTERRACIAL

Dear *SCORE*,

Great job with the February '03 issue. Melissa Carey's XXX pictorial was the best answer you could give to the racists' whining and pestering. For this white man, it was hot, nasty and very satisfying. I loved seeing her ass ride that black cock. That cum shot was the best you ever printed.

The next best thing was that photo on page six of Scorecard of Linsey Dawn McKenzie holding a big, black dildo between those gorgeous, massive, white tits of hers. That little picture got me off repeatedly.

I would love to see LDM do an interracial scene. My dream LDM interracial layout would feature her being paired with either Amanda White or Chaka T., then have the two of them joined by a couple of studs: a black one for LDM and a white one for Amanda or Chaka. It would be one of the hottest and most memorable XXX features in *SCORE's* history.–J.W., address withheld

HERE'S TO THE HARDCORE!

Dear *SCORE*,

While I found your models' pictorials in the February issue to be fabulous, as always, I found the Xtra section to be extremely hot. The layouts of Melissa Carey, Anne Marie and Kate were so well done. Here are the keys to your success, I think:

1. These three models seem to really be enjoying themselves. Whether Melissa is wrapping her lips around a fat, juicy one or riding a high, hard one, she looks like she can't get enough action. The manner in which Anne Marie babysits her partner's cock in between those lovely tits is a shot to behold. Not to be outdone, Kate shows us what her luscious lips were designed for. She really seems to enjoy eating cock.

2. All three models make great eye contact with the reader.

3. Finally, the cum shots are fabulous. Having the guys finish on the girls' faces and breasts is such a turn-on. I

Like reader J.W., we'd love to see Linsey (left) do a girl-boy-girl threesome with Amanda White (top right) or Chaka T. (bottom right). Or how about all three of them?

can't believe the amount of cum that was splattered all over Melissa.

Which leads me to a question: Do you encourage your male models to do anything to maximize the amount of splooge they splatter? Do they refrain from shooting their seed for a number of days before being called upon?–S.S., Detroit, Michigan

Dear S.S.: Good question. Of course, these guys are all big-tit men and they relish the opportunity to fuck a SCORE *Girl. And, yes, we do encourage our male studs to refrain from sexual activity for a few days before their hardcore shoot. That way, they'll be hard, ready for action and ready to shoot…photos and their loads.*

REAL-LIFE KAYLA KLEEVAGE

Dear *SCORE*,

The "At Home" feature of Kayla Kleevage in the February issue was really appreciated. It's great to get the chance to see these women as they are in "real life."

The picture that really got my attention was the one of Kayla outside the food store. If I was ever at the supermarket and saw a woman like Kayla (then again, how many women like Kayla are there?) shopping for groceries, I'd shoot my load on the spot.

I'm thinking of moving to Las Vegas just so I can go food shopping and maybe run into this goddess. –M.R., Seattle, Washington

BOOBS THROUGH THE YEARS

Dear *SCORE*,

I just turned 29 last month, marking a little more than a decade as a *SCORE* Man. After all these years, *SCORE* and *Voluptuous* remain the highest-quality big-bust mags anywhere. I've seen them all, and none come close to your quality and ability to capture beautiful, big-busted women. Even when Hef and *Playboy* try their hands at special features on voluptuous women, they cannot hit the mark the way you guys do. They do not know how to photograph the girls with a boob-man's eye.

With time, my tastes have changed, and *SCORE* has changed, too. When I was 18 years old, I really believed that girls with breasts that looked as big and as round as volleyballs were natural. Looking back, I can hardly believe I was that naive. But those were the greatest days, and it didn't matter whether the girls' breasts were real, as long as the girls were busty.

Why was the February Xtra section with (clockwise from top right) Melissa Carey, Kate and Anne Marie special? Because all three maintained eye contact with the camera while they were riding bone or sucking down cock, that's why.

Can you imagine being out and seeing Kayla Kleevage (left) and Kandi Cox on their bikes? You'd yield for big boobs!

8 STACKED & PACKED #4 VHS & DVD
Annie Swanson, Asian sensation Jade, Busty Becky, Denise Davies, Jezhabelle and Autumn-Jade, all by themselves.

9 *VOLUPTUOUS* XTRA #3
An oldie but goody makes its way to the list. Hardcore fucking with Desirae, Ashley Evans, Cali and Samantha.

10 *SCORE* XTRA #6
Mia Miluv seems so innocent but, yeah, that's her sucking sausage. Plus, Lisa Lipps, Brandy Dean and Shay Sights.

All videos may be purchased at eBoobStore.com, or by calling 1-800-421-0760 (U.S. & Canada) or +1-305-662-5959 (international).

ON DECK: There's a babe in this issue named Anita Agni, she's a newcomer and she's already been captured on video fucking and sucking real cock. Look for it soon. Another newcomer, Brandy, wouldn't fuck for our cameras, but she did do steamy solo stuff.

Lisa Lipps: interview in February.

Jade Feng: a rare Asian natural buster.

Minka: proof of huge tits in *SCORE*.

But we all get older and wiser, and as time passed, I learned the difference between the look of surgically enhanced breasts and natural ones. And, for some reason, the real ones were just sexier. And then you guys created *Voluptuous*, and here were girls with really huge, natural tits, the way God intended them to be. And this was great for a number of years.

But then I start to look back at girls like Roberta Pedon and other slim and stacked naturals from before plastic surgery was common, and I wonder whether we'll ever see the likes of those women again. Then, lo and behold, you guys go and find girls like Autumn-Jade, Linsey Dawn and, of course, Sharday, and we have a renaissance of incredibly natural, beautiful, girl-next-door women with incredibly big boobs.

I look forward to the future, yet I worry. I've seen a lot in my 11 years since adulthood, from mags to videos to live strippers to the Internet and DVD, and I have done quite a bit, too. As time passes, the old thrills don't give quite the same charge they used to, and new twists are needed to rekindle the same level of excitement. When *SCORE* first printed hardcore pictorials, I thought the quality of your fine mag should prevent such base material. But now it's an important part of the erotic excitement. I look forward to the future of *SCORE* and hope you will be open to bringing your readers tasteful new concepts in big-bust erotica.–M.J.G. Philadelphia, Pennsylvania

HEY, AREN'T WE SPECIAL?

Dear *SCORE*,

My congratulations to you for having the balls to print the letter from R.M. (February). Most magazines only run letters that compliment them, but you run letters that criticize you, too.

But not much of what R.M. said made sense. He said you don't run pictures of women with big, beautiful breasts. Well, what do you call Lisa Lipps and Vixen LaMoore in that same issue? What do you call Minka? He says you show pictures of men and women having sex. So what? Some of us like that. He says most of the pictures in *SCORE* are of women's pussies and assholes. Well, sure you show pussies, but you concentrate on tits.

Keep up the good work, *SCORE*. –J.T., El Paso, Texas

SCORE VIDEO PICK OF THE MONTH

RATED XXX! NEW ON DVD & VIDEO!

SCORE Xtra 8

Kelly Madison in her XXX debut, Kayla Kleevage takes it up the ass and lots more.

HANNA CALLOW

We're boob-men, and we're in it for the tits. But, sometimes, we need to see our favorite big-busted babes getting hard, old-fashioned fuckings, and it can be so frustrating to walk into the video store and see nothing but the same old crap in the so-called big-tit section. Thank goodness for the *SCORE Xtra* series, and thank goodness for *SCORE Xtra #8*, the latest two-hour, big-tit fuckathon on video and DVD. In the tradition of its best-selling predecessors, *Xtra #8* features some XXX boy-girl debuts, one by Newcomer of the Year finalist Kelly Madison, another by blonde sweety Madison and one by Brit babe Hannah Callow (right); rare on-camera-fucking by beautiful Lisa Ann and raunchy fuck action with Alexis Amore and *SCORE* fave Kayla Kleevage (left). Six babes in all.

ALEXIS AMORE

Alexis Amore (August '02 *SCORE)* stands just 5'2" and weighs only 100 pounds soaking wet, but the way she sucks and gets fucked by the biggest cock imaginable is simply amazing. You'd think that tool would slice Alexis in half, but she keeps attacking it as if she were built for dick. And she is, from her mouth to her DD-cup tits, all the way down to her pierced pussy. And how about Madison (October '01), the sweet-looking, all-American girl-next-door who proves, once again, that nice girls like to fuck, too? Seems like her man is having trouble with his cock, but his troubles disappear when Nurse Madison arrives on the scene.

Seeing Lisa Ann (left) going to town on a real hard-on is a wonderful sight because every man loves to see a beautiful, big-breasted babe getting fucked. Yet, for many of us, the highlight of this video is the boy-girl debut by Kelly Madison. The mature, FF-cup natural is one of the sexiest women we've ever featured, and she proves in this scene what we suspected: that she knows her way around a hard dick. This scene was shot in the you-da-man style, so when Kelly's sucking, she's looking at you, and when she's fucking, you'll think it's you she's with. "I'd been looking forward to this for a long time," Kelly said. And so have we.

MEGA-BOOB DOMINATION!

SCORE GIRLS RULE THE AVN SHOW IN VEGAS

It's high noon in Las Vegas, a week into the year 2003. Maxi Mounds, Kayla Kleevage and Minka, three of the biggest heavyhitters in the mega-boob universe, have just entered the sprawling Sands Expo Center. Their gigantic bumpers cut a path through the glassy-eyed crowd like the bows of three supertankers slicing through the ocean.

The girls put on their black *SCORE* sashes, which conveniently nestle in the cavernous crack of their colossal cleavages, and they step up to the plate at the Pure Play Media booth, where they will autograph and give away thousands of *Mega-Boob Olympics* photos for the next four hours and promote the DVDs for *MBO* and *Boobs Ahoy (Boob Cruise 2000)*. The mob scene begins immediately.

For the next three days, Maxi, Kayla and Minka sign *Mega-Boob* items and pose for countless photographs until they're practically seeing stars. Everyone wants their attention, their love, one more picture, please…

We're at the 4th Annual Adult Entertainment Expo, the show that used to be known as the adult section of the Consumer Electronics Show. The company that publishes the trade magazine *Adult Video News* now runs this major convention, long a yearly fixture in Vegas. The show gives the hotels the

opportunity to jack their room rates high. Along the way, AVN's made a few significant changes since they've taken over the show.

In the early years, this was a trade show, meaning only adult industry people (and Consumer Electronics Show attendees) could attend. AVN has made this monstrous get-together a true fan event and now charges an admission fee to the public. But to keep things fair to the original trade aspect of the Expo, they let the fans attack at one p.m., allowing the business people some early morning hours to do their wheeling and dealing on the hectic showfloor before all hell breaks loose.

The place is packed with thousands

Chest incredible! At top: Kayla, Maxi and Minka. On their knees: Vixen LaMoore, Kandi Cox and Ashley Evans.

of guys (and quite a few female fans), with everyone swinging a camera or camcorder. It's like New Years Eve in here. It looks like it's going to be the Expo's biggest year yet. Guys are coming from all over the world just to see their favorite porn stars. Coming is the right word.

And there are even more bra-destroying *SCORE* guest stars at our little patch of hooter heaven in addition to the Tit-ans, which makes us all very happy. Also in Vegas and causing a commotion at our booth are Kandi Cox from *SCORE Xtra #6*, Vixen LaMoore from *Busty Dildo Lovers #3*, Ashley Evans from *SCORE Xtra #5* and Jade Feng from *Stacked & Packed #4*. They're being besieged for photos, too, of course. Ah, the irresistible pull of big tits. Nothing matches it. It's like one, big, mega-boob *SCORE* Magazine family. And the crowd loves it. Some of the guys hang out for hours, shooting God-knows how many photos. More than the pro photographers actually covering the show, that I can tell you.

Vixen's met most of the girls from attending the Gentlemen's Club Owners Expo the past two years. For Jade, meeting the heavyhitters is a first, and it's very nice to see how friendly Kayla, Minka and all the other titty gals are to her. They welcome Jade like they've known her for years.

this booth, which is also home to the gonzonian Seymore Butts and his Tushy Girls and several stars from the XXX-glam films of director Michael Ninn. We're an eclectic group, that's for certain. Something for every taste. The Butts and Ninn Girls are as physically different from the *SCORE* Girls as possible, but that's part of the fun in this virtual candy store of female bodies.

SCORE shooter Peter Wall and I, in town to coordinate *SCORE* stuff at the show and to mercilessly whip the models if they need manly disciplining, are not surprised by the massive response the girls are getting. We were expecting it. Our Brit correspondent "T" is in town, too, and he's like us: nonchalant. The Pure Play Media guys, however, are genuinely shocked by the action our exhibit is getting. They're new to the reaction that huge tits induce in the manimal in us.

In 1996, *SCORE* caused a similar scene at the CES in the Sahara Hotel. Back then, the names were Busty Dusty, Traci Topps, Danni Ashe, Europe DiChan and SaRenna Lee, now true legends of big-bustdom. *SCORE* was promoting the Boob Cruise '95 edition and its embryonic website. It was nonstop pandemonium at our booth every time Dusty, Traci, Danni, SaRenna and Europe appeared. If any of you *SCORE* veterans still have your June '96 edition, haul it out and give it a read for old times sake. Vegas hasn't changed all that much since then, but many of the *SCORE* Girls have.

In the ensuing years, we never really saw much of a reason to weigh anchor at the Expo or any other kind of adult convention. As a *SCORE* photo-columnist, I dutifully covered every year's show, reporting on who's who and who's in. But now with Pure Play Media as national distributors of our video and DVD line, the time was right to reintroduce ourselves to the convention goers and video buyers. *Boobs Ahoy* and *Mega-Boob Olympics* are the perfect titles to get the party going. There's nothing like the action in them.

Over the three days of *SCORE* attendance at the Expo, we ran into several *SCORE* models present and past. Brittany Andrews looked sensational,

Don Waitt of *Exotic Dancer* magazine at the Gentlemen's Club Owners Expo with his talented and energetic crew.

more beautiful and cat-like than ever. Skye Blue was a blast from the Boob Cruise '98 past and looked terrific. Summer Cummings was hot, and her superboobs looked even bigger on her very slim, shapely bod.

We didn't recognize Latia Lopez in eyeglasses. Maybe we need them these days. Does tit-spotting your entire life weaken your eyes?

Chelsea Charms was around and even came by for a few shots with Minka. Someone said that Lisa Lipps was at the show, but we didn't see her in all the time we spent on the showfloor. Which means nothing as you can easily not find people in this sea of bodies. It was a surprise not to

Jade, meet Ashley. Ashley, meet Jade. They caused a riot at our booth. Shame on them! They'll have to be punished.

see Lovette thrusting around. She's usually here every year. But, then again, maybe she was here.

Cathy Barry is a beautiful, well-built, busty, English porn star just starting to develop a name in the States. Maxi felt the lash of Cathy's wet tongue across her mega-boobs when Miss Barry took a break from her booth, "Union Jaxxx," to visit ours. Look at the photo on page 22 to see that interesting sight.

Lola Lane's big jugs drew her own line of admirers as did the melonesque cannons of Kim Eternity. Both of them star in *Black & Stacked Xtra* #2. But where was Sierra, the third spoke in that video? Somewhere in that teeming mass of horny guys, Sierra was doing something 'cause I'm positive I saw her stacked body from a distance.

A tiny girl with huge tits approached Peter and me and said hello. My mind drew a blank, so she had to tell me she was Lizzie Mills, one of Ohio's bust. Duh! That's the Expo Effect. You get boobdrunk from the non-stop action.

I spot Kandi pointing at me for someone. Since I'm up-to-date with my loanshark, she must be fingering me to a model. A few seconds later, Mistress Rhiannon materializes. She's been on the campaign trail to get into *SCORE*. See page 52 for the results of her efforts.

And then there's Mary Carey, who debuted in March '03 *SCORE* and pairs with Brittany Love in this issue. A real fun lover, Mary's video interview, uploaded on Scoreland.com, is one of the best we've done yet.

It was also a blast to see the record number of Boob Cruisers turning up. I won't list your names, guys. You know you were there. We don't have a sixth Boob Cruise planned right now, but keep *SCORING* until we do! Until then, Vegas is a good place to be.

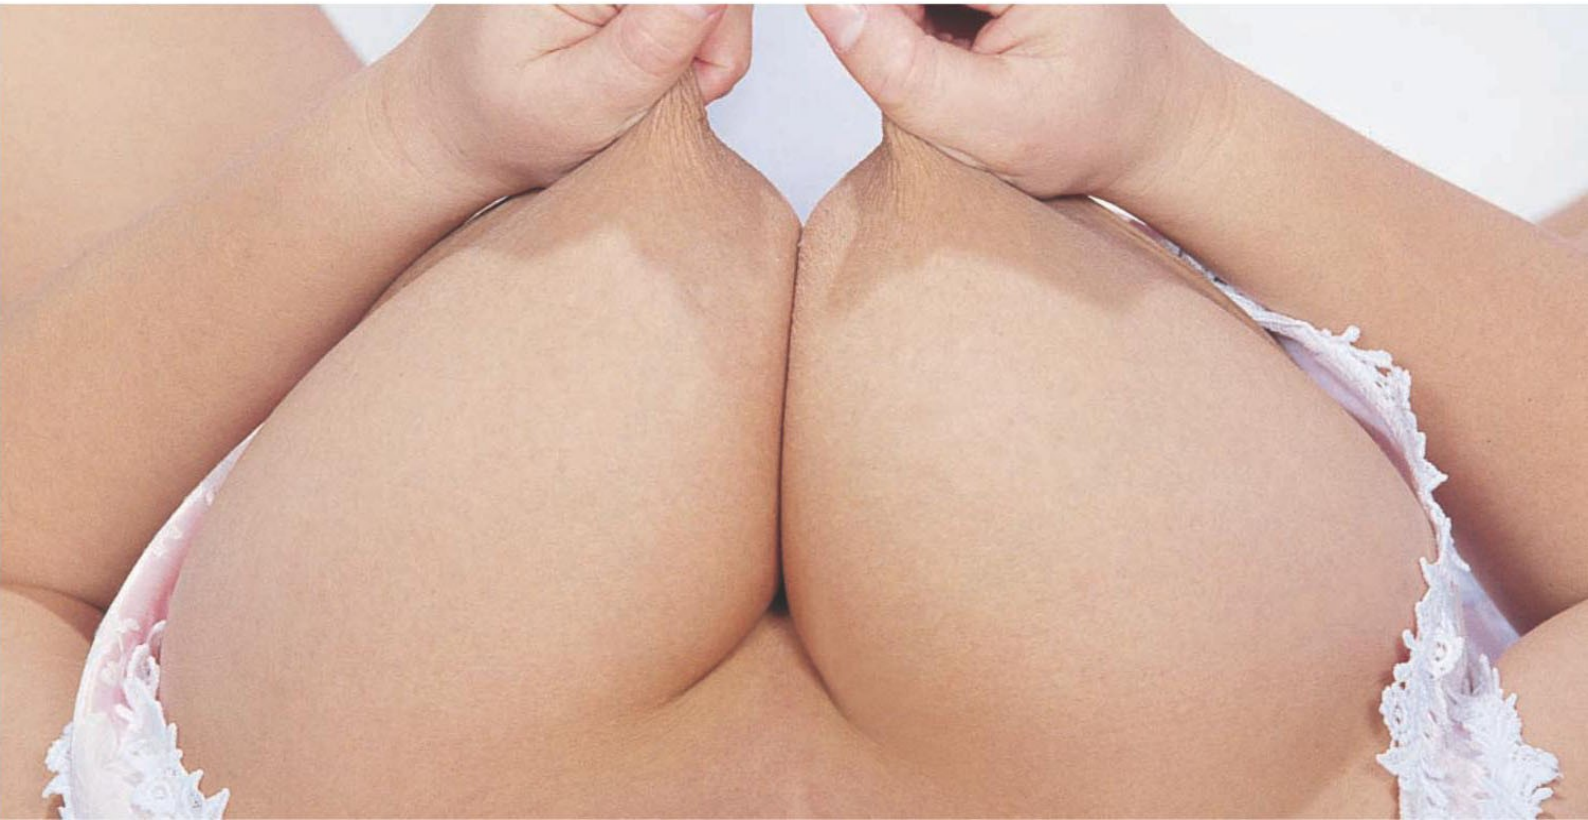
BRANDY, YOU'RE A FINE GIRL

What a good wife she would be? No thanks. We just like staring at her chest.

SCORE Men, say hello to Brandy, a college student from Ohio who made a lot of friends when she visited us in Miami, Florida, for her first photo shoot. Brandy, it's great to have you as a *SCORE* Girl, and we'd just like to say, NICE TITS! "I hate that word," Brandy said. "It's so vulgar." Okay, Brandy, how about NICE RACK? "I don't like that either," she said.

"'Nice rack' has to be the worst thing a guy can say to me. I mean, come on, be original."

As you can tell, Brandy doesn't like her tits/rack to be referred to as her tits/rack. She prefers breasts. Or boobs. Of course, we don't really care either way, because we've fallen in love with those natural DD-cup objects on this college student's chest. Seemed like wherever Brandy went during her two days at *SCORE*, she had guys–including the editor–following her like hungry wolves. Was it her pretty, youthful looks? Was it her sweet voice and vivacious personality? Was it the fact that she was always wearing tight hiphugger jeans and low-cut tops with generous amounts of cleavage? Or was it her…her…her… okay, we have to say it! Was it her tits? Was it that smooth, full, unblemished rack any boob-loving man would love to bury his face in? Yes, it was all of those things, and more. "Guys are always coming up to me," she said. "I don't mind."



In looks and in chest, Brandy reminds us of former *SCORE* and *Voluptuous* model Jade, an English babe whose deer-caught-in-the-headlights look is similar to Brandy's. The way their breasts hang and the size and shape of their nipples and areolae are also very similar. One difference: Brandy's posing is far more explicit than Jade's ever was. But here's the best part: this 21-year-old doesn't look like a girl who would pose so naughtily. Now isn't that special?

ON THE ROAD

BIG BOOBS, BIG CITY

BY ALYSSA ALPS

Well, we're knee-deep into the New Year, spring is here and, once again, I'm writing something during cold and snowy times involving not much clothing. You'll be nice and warm when you read this, but I was freezing my little butt off when I wrote it.

I came out of my self-imposed hiding for another holiday season in my favorite city, New York, to be with my pals Casey James, Plenty UpTopp and the newest member of the Big Boobs On Broadway Team, Crystal Storm, for a week at Flashdancers: frolicking around, sharing a stage too small for eight big boobs, cocktailing with friends and having a really good time.

As most of you know, every year Flashdancers puts on this extravaganza. Although the participants sometimes change slightly due to their schedules, the result is always the same: the biggest boobs on the top feature entertainers in the industry and a fun time to be had by all, especially the many awed and deliriously happy guests in the audience.

All of us have our fans who just love us to pieces, and they all came out for this show: Waine and Jeff, with their personalized gifts because they know us so well; Vincent J. and the huge balloon bouquet he brought for all of us (even though we know his favorite is Crystal); chocolates and cookies galore, as well as all of the flower deliveries that arrived daily. Boy, are we spoiled!

My week started with Nicole Tyler picking me up at Newark Airport the weekend before the show so we could do some power shopping at King of Prussia, a mall just west of Philadelphia. It's a mecca of shopping and girl stuff, and just what we needed after months of grueling schedules. The two of us couldn't get enough, and you'd better believe that the mall's boob watchers were happy guys, too. You know, those guys who sit on a bench waiting for their wives or girlfriends to finish shopping. They didn't seem to mind the wait whenever we walked by.

We arranged to catch up with Miss Candee Apples on Sunday in Manhattan, just as she was just finishing up her week at Flashdancers. This turned into a mini feature fest as Casey James pulled up as we were hanging out in front of Flashdancers. Crystal had snuck in before us and was off shopping, so we sent Nicole off to her parents for some Christmas shindig, and Candee, Casey and me went for a late lunch. Then we sent Candee on her way to Virginia for the Holidays.

Casey and I then hung out in our apartment waiting for Plenty, who didn't time her drive from Florida too well and got hung up in Sunday midtown traffic. Then she had to find parking, which is a feat in itself.

Fortunately, she showed up, and the cast for Flashdancers' annual Titmas XXX-travaganza was ready for action.

It takes a lot of organization and plenty of phone calls just to get all of us in one place at one time. We were all in and accounted for by seven p.m. the night before the show was scheduled to begin, which is a bit early for us. Usually there's a straggler who wings in the door about 11 p.m. I had dinner with my old pal Nick, a delicious 30something-year-old stud who bounced his dating stories off of me just to see if he's doing it right. Not surprisingly, he was. Then I met up with the rest of the crew afterwards at Tequilaville for margaritas. We drank and girl-talked long into the night… like, we didn't have to look fresh and organized for Monday a.m., right?

Nothing like four ladies with big boobs with all of their crap in one smallish dressing room for a whole week. It's a good thing we all work well together and really just do this for fun and camaraderie rather than serious featuring. But it's not just the four of us in this tiny space. There's Hector, our babysitter and the man who keeps us together for the week, and the various DJs. Step into this room for a few minutes and you're bound to hear one of us saying, "I can't find my bra," or "Where are my shoes?" or "Can I get some mirror action?"

Crystal was the only really organized one this week, as she travels with her own portable closet. She knew where her stuff was and spent many a moment laughing at us while we ransacked the room looking for that one thing we were looking for, usually our bras. Which is kind of funny 'cause how the heck do you lose one of our big bras?

Along with all of the regular visitors who come to see us when we're in town, we had a special visitor this week. Not only were Crystal Waters and *SCORE* Newcomer of the Year Crystal Gunns at Flashdancers' sister clubs, Private Eyes and NY Dolls, but Lisa Lipps was in town shopping and seeing fans as part of her own traveling tour of the U.S. She did that for about half of 2002. Although we were all busy with not only our group schedules but with our many personal friends who we wanted to spend time with, we all made sure to do lunch,

SCORE BIG BOOB HALL OF FAME

2003 INDUCTEE

She was the front girl for the golden era of big tits, a 54-24-34 wonder with HH-cup mega-mams who represented everything *SCORE* was about. When we first created the *SCORE* Big Boob Hall of Fame, we knew super-proportioned legend Busty Dusty would have to be part of it, and now she is. Busty, who was named on 38% of the ballots from all voters, joins Traci Topps in our hallowed hall.

"I'm a very homey person," Busty once said, explaining part of her appeal: She was an ordinary woman with an extraordinary body, a sweet babe who turned hot on stage but never did boy-girl or girl-girl. Why? Well, she didn't have to. And she didn't want to. "I would really regret it if I didn't ever have sex," she said. "But doing it on film is a totally different matter. I don't want to be on display for everybody, because that moment is between me and another consenting adult, both of whom would like to keep it between themselves." Until her retirement in 1999, Busty always remained true to herself.

Busty's list of credits is quite impressive. Eleven full-length pictorials in *SCORE*. She sailed on three Boob Cruises (1995, '97 and '98), appeared in eight videos *(including The Greatest Big-Bust Video Volume 2)* and made three solo cover appearances.

Trivia question: What was Busty's original stage name? The answer: Rocky Raquel. She changed her name to Busty Dusty when she super-sized her chest, and that's the name she kept until her retirement in the Holiday '99 issue of *SCORE*. But although she's gone, she lives on in our minds and at the website BustyDustyStash.com, which is loaded with classic Busty photos and videos. So, now, we'll move on. Next month, we'll name our final Hall inductee of 2003. The tension builds.

OPENING UP

It's time to see more of Ines Cudna.

Ines Cudna, the Polish Wonder Teen, is back after making her double debuts on the covers of the March issues of *SCORE* and *Voluptuous*. Yeah, this EE-cup beauty is special. Impressive enough to be featured in the May '03 issue of *Looker*, a new men's lifestyle mag that focuses not on tits but on beauty and sex appeal. She has both in abundance.

Much has happened since this high school student made her debut. She flew down to Costa Del Sol, Spain, for a video shoot with Cassandra, Kerry Marie and Nicole Peters. It's called *On Location Costa Del Sol*, and you can find out about it on page 12. She has a new website called InesCudna.com, and it's packed with photos. And there's more.

Perhaps the most important news of all, from a jacking standpoint, is that Ines has become more explicit in her posing. Check out that shot on the top of the opposite page. Ines didn't come close to showing pink in her March spread, and now she's spreading wide! Plus, in the new video, Ines gets into some hot girl-girl action with XXX superstar Cassandra. What will she do next?

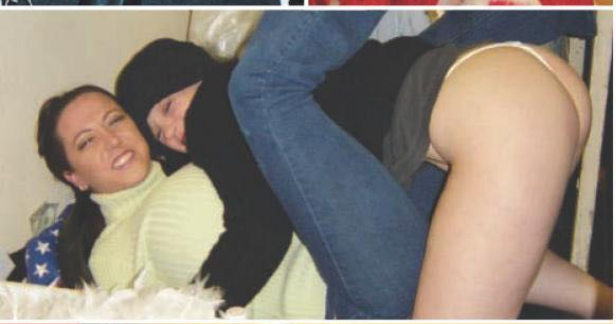
ON THE ROAD

Continued from page 35



Scenes from a week in NYC: Casey in a Santa hat (top left), me with green hair, the four stars of the show in funky glasses, me and Nicole shopping at King of Prussia in Philadelphia (left) and me, Casey and Plenty drinking the night away at some bar in Manhattan (below). The town was overflowing with tits for one super-fun holiday time.

dinner and drinks together at our favorite haunts, and Plenty and I did a few sleepovers at Lisa's hotel. Nothing like showing up for your noon show at Flashdancers in the same clothes you were wearing the night before to get everyone's interest peaked as to what you were doing the night before. I swear, we were just hanging and doing girl stuff!

Unfortunately, we didn't have as much time as we did last year for bar hopping. We only went to visit our pal Louie at the bar at Caroline's Comedy Club twice. We were there almost every night last year messing around with comedian Dave Atell. Louie mixes a great Appletini, so you know where our loyalties lie. Dave, sorry you missed us, but Louie covered for you! Come to think of it, we really didn't do a lot of the stuff we usually do in NYC. Only one trip to SoHo and one to the Village. Our main destinations were The Wiz, an electronics store, where I bought my new digital camera, and the MAC store for face-painting supplies. Midtown was hopping enough for us with all of the new stores that have cropped up near Macy's on 34th. Lisa was kind enough to torture me and have me join her four days before Christmas at Macy's. I lasted about two hours, got into a tiff with someone who wouldn't remove her baby from the stack of clothes I wanted to look at and was pushed around by the over 2,000 people in the store at the same time. Let's just say that security was stern and disciplined anyone who looked like they were doing wrong. I got yelled at twice for trying to take the wrong escalator. Hint: blinking signs saying "This way" would have been nice.

So there you have it, another fun-filled week had by all. It's a good thing this week only happens once a year, because I was exhausted! We grunted our goodbyes to each other and headed home: Casey to Salt Lake City, Crystal to Georgia and Plenty for the long drive back to Florida.

As for me, well, I went somewhere nice and quiet and as far away from the bright lights of the city as possible. You know me, I never give up *all* of my secrets! See ya!–Alyssa

THE SCORE INTERVIEW

Mistress Rhiannon

"I SWEAR I'M JUST BEING ME"

She's the woman we said was too far out there for *SCORE*, but here she is, naked and talking. Hey, you asked for her.

By DAVE ROSEN

It all started with a reader's question. In the August '02 issue of *SCORE*, a reader suggested we publish a pictorial of Rhiannon, the offbeat dominatrix who calls herself The World's Most Gorgeous Mistress. Our response: "Although her bust size is undeniably huge, we think she's too far out there for *SCORE*."

That answer set off a maelstrom of responses. Of course, we received hundreds of letters from the outraged members of Rhiannon's fan club (www.RhiannonXXX.com), but our regular readers checked in with their votes, too. "She pushes the envelope in a positive way," wrote E.S. of Pennsylvania. "I'm very upset by your failure to include Rhiannon in your magazine," wrote another reader. "What's so wrong with being different?"

Much to our surprise, most readers were in favor of Rhiannon. Yet, some complained loudly. "Please, oh, please, do not put that freak Rhiannon in any of your magazines," one reader protested. Wrote John, a Scoreland.com member, "She's a complete abomination. Let others walk that road. To speak the truth is to say she is at least ultra-strange." Some readers threatened to cancel their subscriptions.

In the end, our decision came down to two basic facts:

1. As G.K. of Plantation, Florida, wrote, "Yeah, she's scary looking, but she has gigantic tits."

2. Our regular letter writers, the guys who check in with us every month, were largely supportive of Rhiannon.

So, here she is, in all her offbeat glory. Mistress Rhiannon. In words and pictures. Guys, you asked for her.

SCORE: When we asked readers if you should be in *SCORE*, about 80% of our readers said you should be…

RHIANNON: Yes, and I thank them.

SCORE: But about 20% said yes, you have big tits, but you're too freaky for *SCORE*. What would you say to them?

RHIANNON: Here's the deal: I think every woman thinks she has to be blonde, and we've been groomed to think Barbie Dolls are the epitome of woman. Well, I'm a terrible-looking blonde. I could never fit into that mold. Everybody should have an open mind. Of course, that's like John Lennon when he said, "Give peace a chance." I might not be everybody's cup of tea, and I understand that completely, and maybe I'm not the most beautiful woman. Maybe people find me very

unattractive. Many people find me extremely attractive. But I don't find every girl in every magazine to be drop-dead gorgeous nor do I find them to be hideous. People need to have open minds, and maybe a little freshness might do them some good.

SCORE: That's what some readers said: you push the envelope in a good way.

RHIANNON: I agree with that. I get bored with the same old stuff. The same old food, the same old routine. It makes me crazy. But so many people are so conditioned to what we're supposed to be. It's a breath of fresh air to be different.

SCORE: Were you angry at *SCORE?*

RHIANNON: No. I found it to be very challenging, and I never back down. Obviously, I am completely different for your publication, so I was never angry. I was going to be damned before I stopped sending you stuff.

SCORE: Well, you're in *SCORE* because of your huge tits. What's your bra size?

RHIANNON: I don't know. I've never worn a bra. I'm 50 inches around, but I don't know my cup size. My waist is 23 and my hips are 32.

SCORE: Why don't you wear a bra?

RHIANNON: I don't need to wear one and I hate the feeling of being bound. I am the giver of pain, not the taker!

SCORE: What would you be wearing if we saw you in a supermarket?

RHIANNON: No bra. Usually tight exercise pants and a spandex, form-fitting top because I like the support. And maybe I'll throw a flannel shirt over it if it's freezing. I like form-fitted clothing, just because I'm short, and I need tight clothing because otherwise I'll look pregnant. One time I wore a baggy T-shirt and a pair of pants to the store and a woman said to me, "Oh, that's lovely. When are you due?"

SCORE: How tall are you?

RHIANNON: Five-feet and a half inch.

SCORE: Wow, you're short! I always got the impression that you're tall.

RHIANNON: It's the seven-inch heels. They're definitely salvation for me.

SCORE: Have you always been a big-breasted woman?

RHIANNON: Nope. I bet you're bigger than I was. I had nothing. I had nipples. Nice nipples, though.

SCORE: How long ago was that?

RHIANNON: In '91.

SCORE: Why did you want big breasts?

RHIANNON: Well, I've always had this fascination with breasts, ever since I was a little girl. I can remember admiring women with big breasts and saying, "Oh, I can't wait until mine grow." But

they never did. But the main thing is, then I sang in a band and I wanted to do a very theatrical show. I was going to be pretty scantily clad but still show enough. The last song was called "Cradle Robber," and I wanted to have a little bathrobe and tear it off and have Band-Aids and crosses over my breasts, so the guys in my band said, "How are you going to do that?" and I said, "Watch." And I came back a month later with boobs. And, you know, it's like eating potato chips. You don't stop at one. They're so addictive. Over and over, I kept going for bigger boobs, and then Wendy Whoppers became my hero. You know, when I first started getting implants, I just wanted to be balanced. Yeah, right! Silly me. I'm either black or white. There's never any gray area with me. I gradually got bigger, every four months. I was in for a boob job like someone goes for their teeth to be cleaned.

SCORE: So you went from what cup size to what to what?

RHIANNON: My natural size is triple-A, then I went from a very large C to a small D. The skin has to gradually stretch. Then I went from a D to a triple-D, and then I increased incrementally from there.

SCORE: Was that always your plan?

RHIANNON: Oh my God, no! The first time, I thought you go in one time and then you're happy, but little did I know. I'm still not at where I want to be.

SCORE: You want to get bigger?

RHIANNON: Oh, my God, yes!

SCORE: Obviously, when people see you, they notice you. Has there ever been a time when it wasn't like that?

RHIANNON: Honestly, no, and I used to think something was wrong with me, and this was long before the breasts and the black hair and all that. I remember being on the beach with my mother when I was about 11, and people were staring at me. And she said to me, "What is wrong with you? Everybody's always commenting and staring." But, you know, my grandmother has this charismatic aura about her, and when she walks into a room she's always noticed. And they used to say I was like my grandmother, so I did a little spin-doctor thing and said, "It must be a gift. There must be something charismatic in me like in her." So I just went along with it. It's always been that way. But I was a gymnast for 20 years, and I was

CALIFORNIA DREAM

Melanie's no fantasy, guys. She's the real thing.

"My friends swore I'd be great for men's magazines," said Melanie Addison, who debuted in the January issue and is proving her friends right. "But I never thought I'd make the cover of *SCORE*!" Look in the mirror, Melanie.

"I once had a guy who loved to have his nipples sucked. I thought it was weird."

We don't know why any guy would want to have his nipples sucked by Melanie when she has a pair of perky pointers of her own to nibble on, but there's no accounting for sexual tastes. This much is clear, however: *SCORE* Men have registered their opinions, and they have the good taste to adore this FF-cup natural, who stepped indoors for this photo spread after getting naked by the pool for her debut. "I never meant to get into modeling, but I kept getting great offers so I decided to give it a try," she said. "I'll continue modeling as long as guys want to see me." In that case, she'll be modeling for a long time.

Born and raised in Rhode Island. Lives in Beverly Hills, California. Works during the day as an advertising executive. Has no trouble making her sales pitch to horny men. Remains a top contender for 2003 Newcomer of the Year, even after the debuts of Vixen LaMoore, Blondie, Ines Cudna, Nicole Peters and, in this issue, Anita Agni and Brandy. Smooth-sailing these days for Melanie, but not always. "I was a D-cup in junior high school," Melanie said. "It's really rough when you're young because guys just don't know how hard the teasing and comments are on a teenage girl. Plenty of guys back home will be begging for forgiveness for the rest of their adult lives." As well they should. Melanie's something special.

JULIA MILES: AFTER THE LOVING

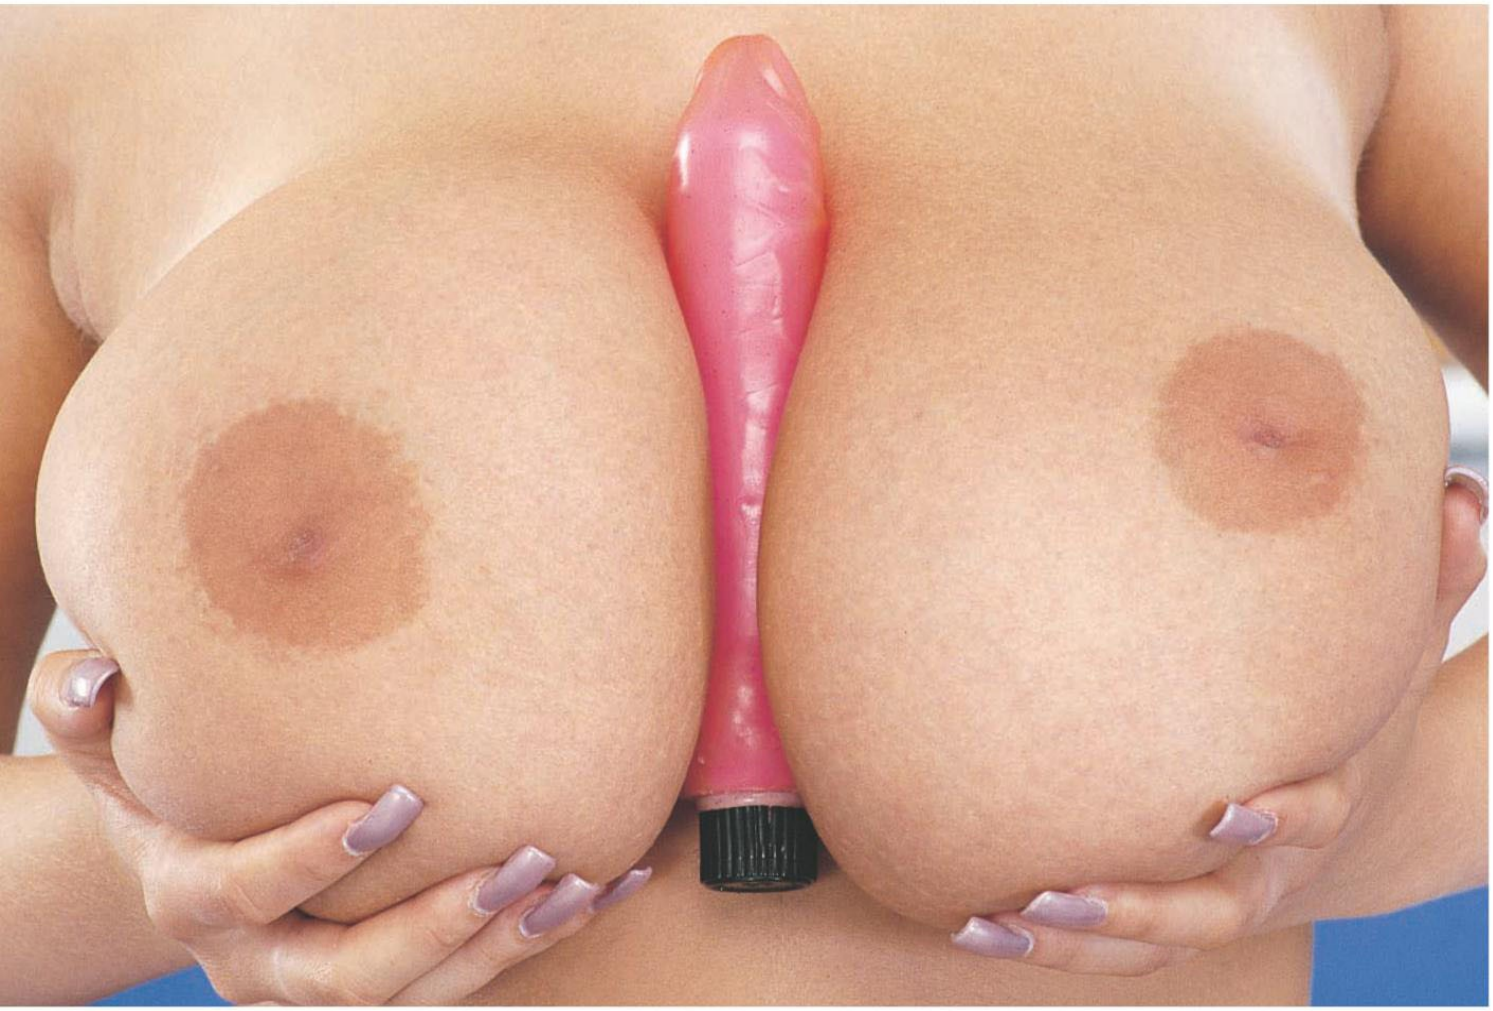
We can never get enough of Julia Miles. She can never get enough satisfaction.

The last time we saw German wonder babe Julia Miles in the March Xtra section, she was sucking down a giant knob, rubbing it all over her tits, licking balls, having her pussy filled with the aforementioned giant cock and taking a load of cum all over her H-cup breasts. Well, we're gonna let you in on a little secret. These photos you're looking at are new, in the sense that they've never been published, but they're a few months dated. You see, after Julia finished off Mr. Big Dick, she took a shower, sat right back down in the makeup chair and got ready to pose all by her lonesome.

JULIA MILES CHECK LIST

AGE: 21 **BIRTHDAY:** December 11, 1981 **HEIGHT:** 5'6" **WEIGHT:** 144 lbs. **MEASUREMENTS:** 44-27-36 **BRA SIZE:** 36H
BORN, RAISED & LIVES: Germany **PREVIOUS *SCORE* APPEARANCES:** March '03 (XXX boy-girl), August '02, March '02 (XXX boy-girl), Holiday '01, July '01, May '01, January '01, October '00, May '00
VIDEOS: *Ultimate Julia Miles* (XXX-rated. DVD and video. Available on page 98 of main mag); *SCORE Xtra #5* (XXX-rated, available on page 98); *Bosom Buddies #4* (girl-girl) and *A Date With Seduction* (available at eBoobStore.com)

Why are we telling you that these photos were taken right after Julia's boy-girl shoot for Xtra? Because we want you to appreciate what a great model she is. Because we want you to know that when Julia says she wants to be Europe's best big-tit model, she means it. And, because, as Julia said, "After a girl gets fucked like I got fucked, she needs some alone time."



"He satisfied me," Julia said of her cock partner in the new DVD *Ultimate Julia Miles*, "but even after we were done, my pussy was still aching for more. When the photographer tossed me this dildo, I asked if I could have another one for my ass. He just smiled and reached into his bag of toys." Amazing. Our little Julia has turned into a cock lover. Isn't that special?

RHIANNON

Continued from page 58

always very fit and very toned, and I used to wear little tiny shorts and little tiny tops, even though I didn't have any breasts. I guess that got me noticed.

SCORE: So you decided to play into it.

RHIANNON: Yes, because I have learned one thing, especially with having big breasts: Breasts are like having a set of keys in your pocket. They open doors. I drive through toll booths and they just flag me on. But it can work to your advantage or disadvantage. It depends on your attitude. I realized I put myself in that freak mode, and sometimes it gets a little annoying, but I have to stop and say, "You did this to yourself."

SCORE: Well, how do you react when people say, "She's a freak?" You've obviously heard that.

RHIANNON: Oh, yeah. Recently I was running on the track in the gym, and some guy pointed to me and said, "She's a freak. A super freak." And I looked around and thought, "I'm the only one up here running. I guess he means me." But I have to ask *you* a question: Why is it more acceptable for a girl to walk around with a big fat ass and not be stared at or poked at or have negative comments, and yet a girl with big boobs gets a negative response?

SCORE: I don't know. We always ask that question.

RHIANNON: It makes no sense to me. To me, a woman who weighs 300 pounds is more freakish and more unacceptable than a woman walking around with a fit body and big boobs. I think a woman should be broader on top and then narrow down rather than that hourglass thing. It gets a little annoying, and sometimes every now and then I find myself saying, "Do I really feel like going through that ridicule?"

SCORE: But, of course, it's not just your breasts that people find unusual. It's your entire look.

RHIANNON: Yeah, everybody says that, but I swear I'm just being me. I didn't try to be gothic, I just like to entertain myself. I like the tattoos, I like the permanent tattoo eyeliner. I didn't try to say, "That's a really cool look. I'm going to do that."

SCORE: How did the whole Rhiannon look come along?

RHIANNON: Which aspect, sweetheart? [Laughs] The white skin we know I

was born with. The dark hair, yes. The long, sharp nails I had on both hands originally, but being righthanded, they kept breaking, so I said forget about it. Plus, in my line of work, I don't really tie rope too well with both hands being hindered by long nails. Honestly, I do this stuff for myself. I didn't say, "Here's a look I want to go for." I get so bored with me, and these are little things that keep me excited. I like the uniqueness about myself. I'm a performer. I've always gravitated toward the spotlight.

SCORE: The long nails are on only one hand, correct?

RHIANNON: Right.

SCORE: And one is especially long.

RHIANNON: My thumbnail. It wraps around four times. Echo Valley came to stay with me last summer, and she was doing a show in Connecticut, so I told her I'd go up and feature with her one night. I brought my snakes and my coffin. She was a virgin-like girl and I was a vampire who was going to seduce her, and we did simulated girl-girl. And I broke my big, long nail and didn't realize it. So, at the end of the night, I said, "Oh, shit! I broke my nail!" I had five guys crawling along the stage to find it, and we pieced it back together pretty well. My nail is my signature, and in the fetish world, nail fetish is a very big thing.

SCORE: Why?

RHIANNON: Nails accentuate the person. They extend the length of the hand and gives a slender, more attractive appearance.

SCORE: Is the nail difficult to deal with?

RHIANNON: Yeah. It gets caught in my hair and it gets caught in my clothes and it's a nightmare putting on stockings and trying to put a garter together with it. It's very heavy on my fingers, but no one says looking good is ever painless or easy. Looking good is a relative term, so for me it looks good. Someone else will say, "What are you, crazy? Get rid of that stupid thing."

SCORE: How long has it been growing?

RHIANNON: I've kept it up regularly for about eight years.

SCORE: Now, you're into spiders and snakes, correct?

RHIANNON: Actually, my pickup truck is called The Spider. It's customized with paint and there are portraits of me on the fenders and it says Sweet 'n' Evil. I have spiders all over it and webbing. People think I take it out just for

Halloween, but that's all I drive. And I love snakes. I have five snakes for pets. They're the most phenomenal pets because they don't bark, they don't ask to go out, you can feed them once a month, you can give them water once a month. You can leave them and come home and they'll be in great shape.

SCORE: You let them crawl on you?

RHIANNON: Oh, yes, yes! I sleep with them. They're just beautiful animals. And so misunderstood. I feel like a snake. I'm misunderstood, too. That's why I relate to them.

SCORE: What do you mean when you say you feel misunderstood?

RHIANNON: Well, because I'm a really down-to-earth person. I come from really good stock. I have a great family and I went to Catholic school for 12 years. I have a very supportive family. I'm one of five brothers and sisters. Everybody is very accomplished in what they do, and we're a very close unit of people, and I feel that not until I speak to people do they realize I'm normal and cool and decent and friendly. I don't like people to be uncomfortable around me and I don't like uncomfortable situations. The old cliche is true: Don't judge a book by its cover. I make a point not to do that with people because it's been done to me all my life.

SCORE: Well, what's the impression people have of you and what's the truth?

RHIANNON: People are very intimidated by me because of my appearance. It's not a digestible, conservative mainstream look, and I realize that, but I kind of gravitate towards people who are individual and unique. I don't find myself to be an objectionable character. I was a school teacher and a therapist for several years.

SCORE: Before the boobs?

RHIANNON: As a therapist, I had smaller implants, and by the time I was teaching school, I was pretty large. I taught second grade in Newark, which is pretty much a battleground, and I always loved when the kids expressed themselves. I told them to be proud of that. Hey, we all don't want to look alike. Variety is the spice of life.

SCORE: What do your fans like about you most?

RHIANNON: Well, they like that I'm avant garde and not mainstream and that I have not conformed. They think I live by my own rules, which I do, and they like my individuality. And they

Michelle Bond

SCORE AGENT 32F

It's no secret why this newcomer gets us going. But let's investigate, anyway.

Her name is Michelle Bond, she's a student from Liverpool, England, and as you page through this layout, you might try to figure out if there's anything not to like about her. Face? Fresh, beautiful, beguiling. Breasts? F-cup naturals. Firm but soft to the touch, wonderfully shaped with pointy nipples. Perfect for lifting and sucking. Ass? Primo. Small and tight. Made for spanking. Legs? Long and lean, like a dancer's. Check, check, check.

SCORE DEBUT

Ooops, we almost forgot to talk about Michelle's personality. Yeah, we're pigs, and we're mesmerized by the sight of those breasts, but we should give you the chance to know Michelle better. So here goes. She's a student and part-time hotel receptionist. She enjoys sightseeing and going to concerts and movies, making her a cheap date. Her hobbies are reading and writing poetry and cooking. She also loves to dance. In other words, Michelle is the kind of girl you can bring home to mom. But keep her away from dad.

MICHELLE BOND CHECK LIST

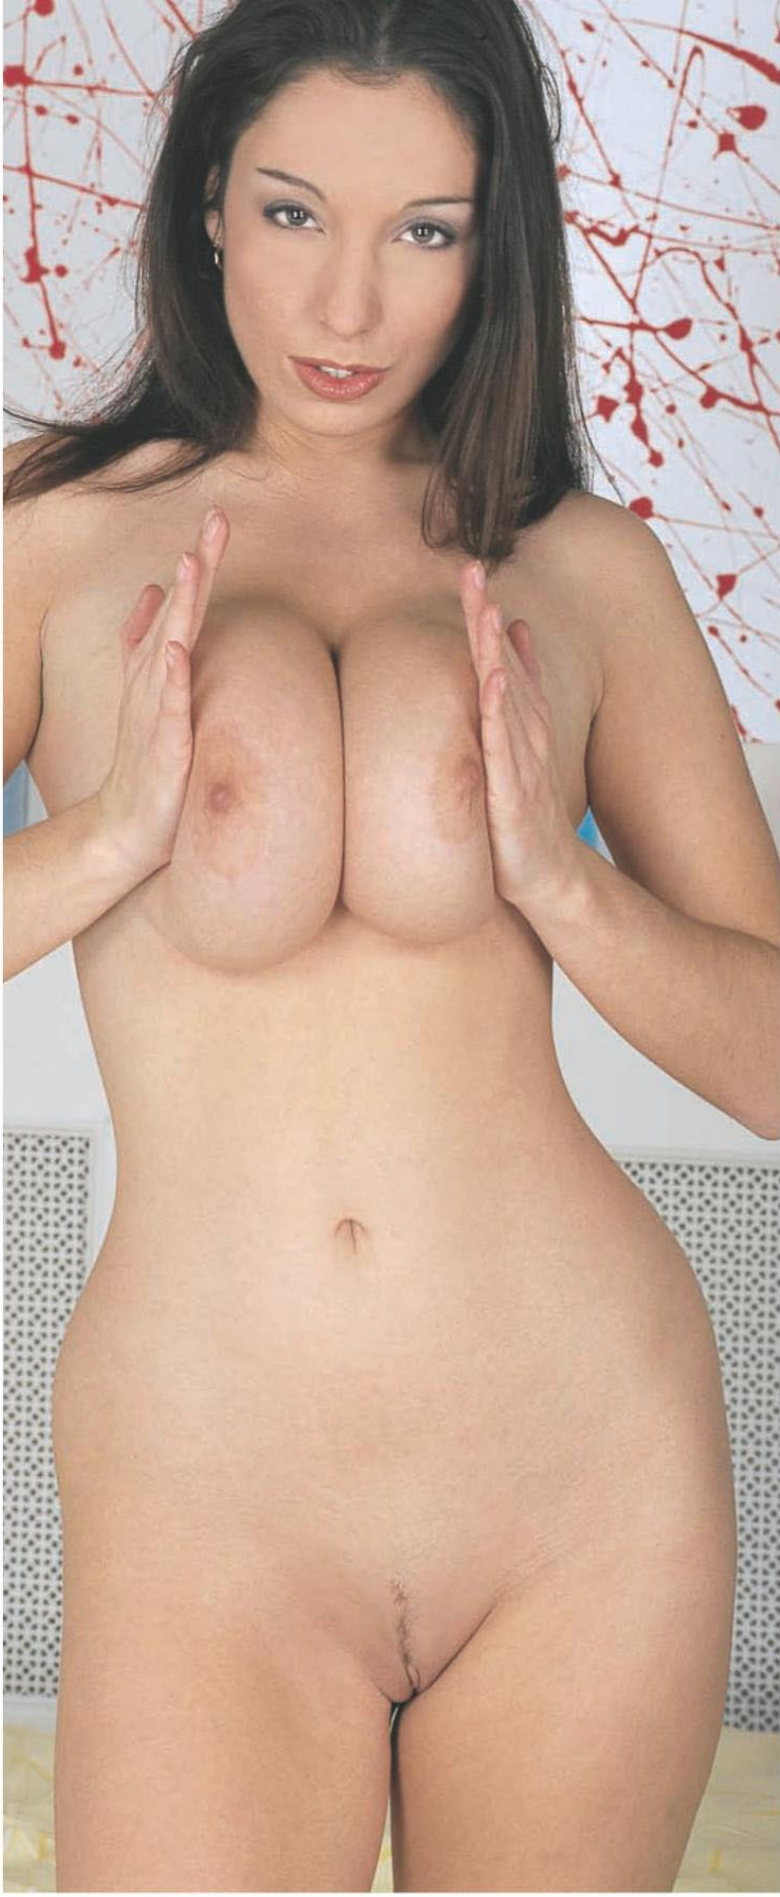
AGE: 22 **BIRTHDAY:** May 7, 1980

HEIGHT: 5'4" **WEIGHT:** 105 lbs.

MEASUREMENTS: 38-26-36 **BRA SIZE:** 32F

LIVES: Liverpool, England **OCCUPATION:** Hotel receptionist

SEXUAL FANTASY: "I want to join the Mile-High Club. It sounds so daring and exciting. Want to try it with me?"



"I like being shagged hard from behind. I like to have my bum slapped hard, too."

Man, can you believe the body on this girl? The curves? The combination of natural F-cup tits and a 26-inch waist is extremely rare and extremely welcome. The fact that Michelle loves sex is extremely welcome, too. "My favorite position is 69. There's something about going down on a guy while he's licking my pussy that's so hot and nasty. Fortunately, I've never met a man who doesn't like 69 and doesn't like shagging me from behind. I'm normally a quiet person, but getting it from behind turns me into a totally different person. I think I've told you too much." No way, Michelle. Talk on.

"I know your readers won't agree, but I think my best feature is my legs," said Michelle, who gives us a nice view of those shapely gams in the above photo. "Of course, guys say they like my boobs best." Want to see more of Michelle? Log-on to Scoreland.com. You'll find three more web-only pictorials of Michelle, plus her first-ever solo video. We'll bet you can't get enough.

like that if they call me, I will spend time with them on the phone and talk to them. I don't have an attitude. I really respect everybody until you make me see otherwise.

SCORE: What kind of requests do you get from your fans for sessions?

RHIANNON: Well, right now we're having a dildo epidemic. Everybody wants feminization, crossdressing and dildo training. That's in the last three years.

SCORE: What's dildo training?

RHIANNON: Dildo training is when you're inserting different implements, and you work up to bigger, different-sized dildos.

SCORE: Dildo training for yourself?

RHIANNON: Oh, no! The Mistress is always the top, she's always dressed. They're always naked, and everything is always done to them. There's no sexual interaction with me. The most sexually interactive I get with the person is dildo training. I don't masturbate them or anything of that nature. And, prior to that, golden showers were popular. I used to get requests for heavy corporal scenes here and there, but not that much anymore. Not too many people are into pain.

SCORE: Are most of your fans domination guys or boobs guys?

RHIANNON: In earlier years, when domination and S/M was not on Jerry Springer, there were more conservative women. A lot of heavy-set women. Not very attractive. So I was different. In fact, the first time I spread my legs, there was a little uproar in the community of fetish. "What is this tramp doing spreading her legs?" It was so taboo. And I said, "I'm doing it because I can and because people actually want to see it." But the last several years, we have more beautiful women entering into this realm. Still, a lot of men come to me because they're intrigued by my breasts, and they ask if they can see them during a session. Sometimes I'll allow them to massage my body, but it's not like they're really touching me. They'll do it with a feather in their mouths or something.

SCORE: But you get a lot of boob guys?

RHIANNON: Oh, yeah. I always said that my body is my best tool, but I use it in different ways. It definitely attracts men, but it's not all about the boobs.

You'd be surprised by the kinds of things people are interested in. It could be the fingernails or the hair, the white skin because they like the vampire erotic image. It could be my feet because all my toes are in line and they have a nice arch. I'm a size six, nice, small foot. I walk around modeling shoes for them. It's as individual as the individual.

SCORE: How into goth are you?

RHIANNON: I'm a scream queen and I've done B movies. *Erotic Mirror, Blood Bachelor Party Massacre,* a couple of others. I actually have real tombstones in my yard. I call my home The Gothic Ranch because I have gargoyles. I'm into the look of it. I bought tombstones because I was doing video, and it's hard to do videos in a public cemetery without causing problems. Many times people come up my driveway–I have a two-acre property with a long, winding road–and say, "Did you know those people who are buried there?"

SCORE: So a person approaching your house from the outside could tell there's something different going on?

RHIANNON: Oh, yeah. I have giant gargoyles and my little cemetery in the front. And I have some cemetery benches and statues. And it's just because I like the look. I wish I could explain, but it's like, "Do you like pizza?" I don't eat cheese, I don't eat dairy, I don't need white flours. So, no, I don't like pizza, but you do. Explain why. Taste, texture, smell.

SCORE: What's the outside of your house look like?

RHIANNON: Well, it is a ranch. I have a gothic dining room. Outside of the gargoyles, statues and cemetery, it looks like a normal house. It has a granite fireplace. People love to come in and say it's like going to Disney World. I've yet to figure that out. I have giant fountains in my gothic dining room. I have gargoyles and statues and dark, heavy furniture, but that's only that room. I have beige leather furniture in my great room and a big-screen TV. It's eclectic. In my living room, I have drapes I designed in leopard and a big leopard couch that I restored. I just like different and odd stuff. It amuses me.

SCORE: Well, Rhiannon, thank you for your time today.

RHIANNON: Thank you, and thank you for having me in *SCORE*. This is such an honor. And I just want to thank all the readers who wrote in and supported me. I'm grateful.

NEW RELEASE ON VIDEO AND DVD!

Featuring Cassandra, Kerry Marie and the video debuts of amazing 2003 newcomers Ines Cudna and Nicole Peters!

ON LOCATION Costa del Sol

FF-cupper Cassandra, who knows a thing or two about plugging her holes with sex toys, has invited Kerry Marie, Ines and Nicole to southern Spain for Big-Boob Modeling School. The result: the most explicit action Ines, Nicole and Kerry Marie have ever engaged in. Nicole's J-cup naturals are her main attraction, but here she shows full bush for the first time. EE-cup Ines was shy when she made her *SCORE* debut, but here she spreads wide and fingers her pussy. And, for the first time, Kerry Marie plugs her pussy and ass with big dildos. Of course, Cassandra gets into the act, too, with some scorching solo posing and girl-girl, clit-to-clits with Kerry and Ines. *On Location Costa Del Sol* is a must for every man who loves big tits.

JADE: A RARE ASIAN FIND

Dear *SCORE*,

Well it's about damn time! Finally, my wish has been granted and you were able to find a natural, big-titted Asian woman: Jade (February '03).

That has been my one glaring complaint: a lack of Asian women in both *SCORE* and *Voluptuous* magazines. With the exception of regular appearances by Minka and a one-time pictorial of Sakura Sena, I don't remember any Asians in your magazines in recent years. Unfortunately, both Minka and Sakura are artificially endowed. Jade is a goldmine! You better treat her right and hold on to her for a while. Hopefully, we'll see her in *Voluptuous* magazine soon, and maybe in the future she'll do hardcore.

Admittedly, most Asians are not considered voluptuous and generally are not very naturally endowed, so they wouldn't qualify for your magazines. Yet, if you look hard enough, they are out there. So I say way to go! Keep Jade coming!–Eric, email address withheld

Dear Eric: You're right, naturally big-busted Asians are hard to find, but we're always looking for them. Know one? Know where to find one? Then definitely send her our way. We pay finders' fees, of course, whether the model is Asian or not. As for Jade, she made her V-Mag debut in the March '03 issue, got fucked by a real cock in the May '03 SCORE *Xtra and is one of the stars of the DVD and video* Stacked & Packed #4, *available on page 98 of this issue. Have at 'em!*

NO TALK, MORE JACK

Dear *SCORE*,

Have your readers lost their fucking minds? Am I reading Scorecard to discuss black dicks, white dicks, dildo color while we're debating whether Rhiannon should even be in the magazine? Stop all this foolishness!

Pick up any issue of *SCORE*. On the cover, it says, "#1 In Big Boobs." Guys, get back to your company's mission statement. Have we lost our way? Rhiannon: yes, yes, yes! No more talk about cocks, dildos, red, black, blue, green…who fucking cares? It's about the models we love, honor and cherish. "#1 In Big Boobs." Now go get 'em!
–J.F., Corpus Christi, Texas

SCORE DEBUT

FROM POLAND WITH TITS

Welcome Anita Agni, yet another Polish busty chick.

We have reached that point of the issue where grown men weep. "Why, oh, why," they cry, "can't *SCORE* come out twice a month?" But let's not dwell on the negative, boob-men. Let's dwell on Polish new-comer Anita Agni.

There are some very special things about Anita. For one, her DD-cup brabusters are 100% real. Second, she's friends with Ines Cudna, and can you just imagine those two walking down the street together. Third, she's only 21, and she thinks her flesh puppies are still growing. Fourth…well, turn the page.

Yowser! Yeah, *SCORE's* a tit-mag, and lately some readers have been complaining about our use of dildo insertion photos, but can there really be a guy out there who isn't turned on by the sight of a young buster stuffing her sweet pussy and tight asshole with fuck toys in her debut pictorial? The very idea is mindboggling.

Most of us can remember the days when big-busted models were hesitant to show pink, but here's Anita plugging for buried treasure in her first layout! YES! And look how happy she seems to be. Look at how, in the above photo, she smiles widely for the camera while her tight cunt grips that plastic cock. What a delight!

VIDEO REVIEW: VOLUPTUOUS XTRA #6

Annie Swanson's encore XXX, Melissa's first time and four fucked naturals.

BY DAVE MORRIS

The eternal question: Why would a *SCORE* Man want anything to do with a *Voluptuous* video?

The answer: *Voluptuous Xtra #6,* the new two-hour fuck 'n' suck DVD and video that's chock-full of naturally big-titted babes who would be just as welcome in *SCORE* as they are in V-Mag.

There's Annie Swanson, who finished second for *SCORE* Newcomer of the Year and came damn close to nailing down first prize after making her hardcore debut in *Voluptuous Xtra #5.*

There's fuck-hungry Hungarian Andrea, the 40-28-36, DD-cup student who ate cock in the April *SCORE* Xtra.

There's black 'n' stacked Chaka T., who debuted in the September *SCORE.*

And let's not forget Melissa Carey, slim and stacked and coming off two appearances in your favorite tit mag.

Plus, there's sexy Vegas chick Gwen Sanders and Brit natural wonder Denise Davies, who's never been in *SCORE* but is worth a look because of her heavy, milky, JJ-cup bombers.

You can order the DVD or video on page 20 of the main mag. And you can read all about it right here.

DENISE DAVIES: JJ=JACK, JACK

This is the XXX-rated boy-girl debut that boob lovers all over the world have been waiting for. Denise's tits are in a class with any natural's in the world, and she promised us that her hardcored debut would be special It is.

The scene opens. Denise's bra-shredding JJ-cups kiss the lens. "Hello, I'm Denise Davies," she says. "And you're going to see my first boy-girl video."

Cut to a bedroom. Denise looks friendly and fuckable. A working-class stiff arrives, and they get right down to getting down. Denise has an engaging personality that makes you feel like she fucks for the pure fun of it.

Denise's man-toy slurps noisily on her bristols, mashing, fondling and nipple-tickling as only a true tit-man can. Not only are Denise's hooters enormous, her areolae are big enough to land an airplane on.

"Let's get rid of this thing," Mr. Cock Toy snarls as he throws away her sheer summer dress, then munches and fingers her cunt. Denise lies back in her garter belt and high heels while he ravages her. Then she takes his nine-iron all the way to her tonsils. We get an upshot of Denise lapping his gonads while her famous floppers wave. Then there's a raunchy 69 in which the lucky guys sniffs and licks her pussy and asshole. Meanwhile, she's sucking away

No surprise that JJ-cup Denise Davies is an enthusiastic fucker. She promised she would be.

Hungarian beauty Andrea looks so sweet, but man, can she ride a cock! She was begging for more.

Gwen Sanders not only looks like Lilith, she fucks like her, too. Not bad for a XXX boy-girl debut.

When we first saw Melissa Carey, we never dreamed she'd do XXX. Happily, we were wrong.

Reader's girlfriend Annie Swanson fucks again in *Voluptuous Xtra #6.*

and treating us to a how-to in pecker-pumping. Show this to your girlfriend.

A hearty tit-fucking follows as our man straddles Denise's breasts. The rousing sounds of schlong sliding between her supernaturals fill the air. He gives those mams a proper cock-slapping, too, before going into her pussy through the back door. The abundance of close-ups of Denise's pendulous puppies in full swing will swell your scrotum.

Then he licks her Hershey Highway before jamming his piston into her waiting anus. This is shot from a perspective even a gynecologist could only dream of. The sight of her twat sucking wind as her butt swallows his beef is all that and more. And once the guy pops back out, Denise is only too happy to pull back his foreskin and suck on some more bone. Her two-fisted handjob while he teases her pussy and clit with a little green vibrator is truly bonerific. When he cums, he shoots his load all over her body. That Vitamin C is good for her skin.

ANDREA: BUDAPEST BOOBFEST

"She's from Hungary, and she's hungry for sex," read the intro to her November '02 V-Mag debut. How hungry is pixie-ish Andrea Bujtko? We find out in this steamy scene.

Raven-haired Andrea's alone in her room checking out magazine pix of some Hollywood hunk. Her hot pussy needs some real cock, so she gets on the cellphone for home delivery. Meantime, she starts with self service on her tight little bod. Andrea shows off her full, round, very munchable DD-cup mams and a tangy, trimmed twat.

The rude dude who shows up climbs all over her. She plays hard to get, so he spends a couple of seconds sucking her nips and clit. Soon, he's giving her some full-length salami. Andrea's mouth knows a good thing when she gobbles it. Dick boy drives his pecker-point like the horny slacker he is, balls slapping into her hot hole. Andrea moves around so he can slam her in every position, and we get some real tasty closeups of her heaving tits and steamy snatch.

Then her bunghole's ready for anal action, and he plows that furrow frantically. Count it, guys: two scenes, two girls, two anal intrusions. We know from experience that Hungarian girls like it in the ass, and Andrea doesn't disappoint. She comes hard, then enjoys a flying facial.

GWEN SANDERS: HIGH ROLLER

Gwen Sanders is a Vegas chick with malleable DDD-cups who masturbates all the time and likes her sex kinky. This

scene is shot in our trademark "you-da-man" style. Miss Sanders is something of a Desirae lookalike with a roadhouse roughness that makes our balls boil. Gwen's insatiable mouth and feisty floppers put on a suckshow that deserves a standing ovation. You'll feel like you're actually in this video. Imagine yourself telling her what to do to you as you watch.

"Oh, fuck my tits," she begs. He lubes up his lariat and she goes to town with a terrific titjob. "Oh, yeah," Gwen says. "Just like that, yeah."

More manpole-munching follows, and then Gwen asks him to touch her tits. "Mmmm, I like that," she moans as he pulls her nipples and grabs her globes. "Ohh, don't stop," she squeals as she cums again.

All right. And how about some more lube? Grease them pups up. Gwen likes it. So when she says, "Oooh, fuck me," she doesn't have to ask. And she's having multiple orgasms the minute his Johnson meets her cock-crazed quim.

"Fuck that pussy!" Gwen shouts. "Fuck it." She likes it.

MELISSA CAREY: HONEY HOLE

Short, stacked Melissa Carey's a pocketful of dynamite who makes us explode. She's a fresh-faced, honey-haired, green-eyed gal, just five-feet tall with a DD-cup rack. It's a miracle she doesn't topple over.

This is her very first video and she's visibly nervous, which is a turn-on, too. She tentatively pushes her mams into the lens. Looking real pleased with herself, she sucks her hooters. The camera roams her body from her shelf down to her shaved pussy and back again.

"Look how hard my nipples are getting," she says. Not as hard as our dicks, Melissa. "Would you like to pull on my nipples?" she asks. Melissa is a girl of big tits and few words. How 'bout a little lube, Melissa? As the goo dribbles onto her chest, all she can say is "Don't be shy. You can touch 'em. Hmm. That feels good."

Touch 'em we do. By the way, did we mention Melissa reminds us of popstar Mariah Carey? That thought alone should make your smokestack spew.

Melissa gets into it and plays with herself. How about some big black dick, Melissa? Suddenly, our little Miss Innocence goes from sweet-faced debutante to cum-crazed porn star. Melissa

KIM CHAMBERS: DEEP THROAT

She has a deep ass and welcoming cleavage, too. Shoot your load on her!

"My technique is to completely relax my throat and enjoy the feeling of a cock sliding all the way into my mouth," said California babe Kim Chambers, who literally fucked and sucker her way to the top of the A-list of big-titted porn stars. "A little determination helps, too. Of course, I had to practice a lot to learn how to suck it all the way down to the bottom, but practice was fun!" We're sure it was. Fun for Kim. Definitely fun for the lucky guys.

"I like knowing that I just sucked the cock that's buried deep in my asshole."

Guess in this case, ignorance isn't bliss. And we like knowing that the cock which was just in her asshole is now tunneling between her E-cup tits and into her mouth, which she uses to suck the ass juices off the cock head. "I love what I do," Kim said. "I can honestly say that even if I had millions of dollars, I'd still do this." Gotta love a girl who loves her work.

"I like to be in front of the camera because I get to have detached sex, which I define as sex for fun with no strings attached," Kim said. "No worries, no pressures, no expectations, no emotional considerations. I'm in control, and I love to turn on and please men, which makes my pussy throb." We like Kim's idea of detached sex: the cock is always attached to her cunt.

This is one of the hottest XXX sets we've ever run, and it climaxes with our lucky stud shooting his wad all over Kim's pretty face and tits. You know, this is the kind of thing most men don't get to experience in their daily lives. Fuck a chick and she'll pretty much demand you shoot her load in her pussy or down her throat. If you're really unlucky, she'll spit our your cum after you've cum. But how many women will let you shoot your sticky man-juice all over their faces and breasts? Not many, right? "That's what I love about detached sex," Kim said. "There are no rules. He's allowed to fuck my ass then fuck my mouth. He's allowed to make my face all gooey. And you know what? I encourage it."

slams that voodoo stick against her stack and wets herself to the knees. She chomps her man's knob like a true champion while her papayas shake and her nude twat testifies to the power of love. She has a major-league booty.

This segment wouldn't be complete without closeup views of Miss Carey getting porked and porked again.

"I love being fucked this way," she pants. Sure, she was nervous at first; now she needs her hole filled. Happy to oblige, our man gives her pussy the reaming it deserves. When he's ready to shoot, his cum coats her face and tits. Little Melissa ends up looking like a glazed donut.

ANNIE SWANSON: ENCORE!

out-of-control nutsacksucker on camera? How does she turn into a babe worth of winning our award for Best Hardcore Debut?

"I really have fun doing this," she told us as she wrapped her jaws around a foot-long overstuffed sub sandwich.

Okay, about the video. We come upon Annie, who's dressed in black lingerie and dusting the living room while her on-camera hubby spouts off about being married to a V-Girl.

"While you're here baby, clean my cock," he says.

Annie knows the way to a man's heart is through his balls. She gives him a mouth-and-hand job that turns his beefsteak into iron pipe. She sheds her lingerie and wraps her triple-D's around her better half's best half. Then he tosses Annie on the bed and bangs her pussy good, doggie style. Annie takes that cock deep, long and hard, and she enjoys being watched.

Annie turns around and rides his dong. Her massive mams heave. She squeals ecstatically all the way as she switches positions from missionary to cowgirl to doggie. This scene is basically just one scorching hot fuck, and Annie knows how to make a popgun

Yeah, Chaka T. gives a good fuck, but the emphasis in this scene is on her HH-cup bombers.

CHAKA T: ALL JIZZNESS

Private Chaka dons combat fatigues. Ready for a full-frontal assault, she gets her marching orders for her mission as a cock commando.

"My body is ready for anything," she tells Drill Sgt. Stud as she strips. The sight of Chaka's incredible superstack flapping as she does situps and jumping jacks will have you spurting like a machine gun. Dig the up-her-crack camera angles as you spank your monkey. Then she goes to work on Sgt. Stud's meatpistol, sucking it and mashing it between her twin H-bombs. Sarge jiggles her jugs, licks her two-inch areolae and pinches her nipples. Of course, Chaka gives his meat-missile major mouth and tit treatment in glorious closeup as he fingers both her holes.

"Fuck me now," she begs. "Give it to me." She gets a full ration of the funky stuff, gazongas waving all the way. He finally hoses her down with man-glaze as Chaka urges him on.

KAT: "BRING ME YOUR BIGGEST MAN!"

Size is important to this cock lover from Vegas. She's not talking about dick.

Fucking in the great outdoors is nothing new to Kat, a DDD-cup newcomer from Las Vegas who knows where she belongs–Sin City–and knows what she should be doing: fucking. We're not gonna bullshit you. Kat's no first-timer to on-camera cock smoking. For her debut, Kat could have posed all by herself and maybe snuck a dildo into her pussy on the last page, but what would've been the point? Kat was willing to fuck right off the bat, and we weren't going to say no. "There's something special about getting naked and fucking outdoors," she said. "This was a pretty secluded spot, and the chances of us getting caught were pretty slim, but there was always that chance. I made sure to make extra-loud slurping noises when I was eating his dick because I was hoping someone would hear us."

KAT CHECK LIST

AGE: 41 **BIRTHDAY:** September 26, 1961
HEIGHT: 5'9" **WEIGHT:** 130 lbs.
MEASUREMENTS: 40-24-36 **BRA SIZE:** 36DDD
LIVES: Las Vegas, Nevada
SEXUAL FANTASY: "Well, to tell you the truth, I've lived out most of them. But I love big, fat guys."

"I only wish this guy was a little heavier. I don't like muscle men. I like being pounded."

What Kat is saying is that she likes the feeling of a heavy man–300 pounds or more, she says–slamming his cock into her and using all of his weight to fuck her as hard as humanly possible. Kat's fantasy fuck would be a 350-pound National Football League lineman, but if one's not available, any big guy who just came off the buffet line will do. "I can't explain it," said Kat, who went on Howard Stern's radio show to plug her XXX Fat Gangbang. "I like the idea of sweaty balls and cocks and all that weight. And big guys are more appreciative because they're considered outcasts by most of society. They appreciate you more. You really haven't had your pussy eaten until it's been eaten by a fat guy." Hey, maybe that diet's a bad idea. Maybe there really *is* a way to eat your way into a woman's pussy. Or maybe Kat's just a special girl.
